

TiVo® Mini

Plug it in and share the TiVo experience on another TV

The TiVo Mini is a convenient, all-purpose whole home companion to your TiVo DVR. Connecting a TiVo Mini to another TV in the house makes it easy to watch live TV, recorded shows and access web entertainment. Schedule a recording. Or start a show in the living room and finish it on your Mini in another room. Mini delivers the intuitive, easy-to-use TiVo experience you know and love.

PRODUCT OVERVIEW:

- Connects to any 4 or 6-tuner TiVo DVR through your home network
- Watch live TV or recorded shows from your compatible TiVo DVR
- Access your TiVo DVR to schedule recordings, WishList® searches and Season Pass® recordings
- Provides access to movies and music from Netflix, Hulu Plus, Pandora,® Spotify,™ YouTube™ and other broadband content providers*
- Streams music and photos from any home network and the web
- Delivers XFINITY On Demand content to XFINITY customers in select markets**

WHAT YOU'LL NEED:

- At least one 4 or 6-tuner TiVo DVR such as all TiVo Roamio DVRs and Premiere 4 or XL4/Elite
- Wired connection between main DVR and home network
- Wired connection between TiVo Mini and home network
- Additional subscription to the TiVo service via a broadband connection may be required
- No additional CableCARD™ required

TiVo recommends a Whole Home networking solution for all multi-room installations. Learn more about Whole Home networks and more at www.tivo.com/wholehome.
