(1) Broadband Internet connection required for receipt of 3rd party services. Availability of third-party content subject to change and additional fees may apply. Netflix unlimited streaming membership required. (2) Actual high-definition recording capacity may vary based on television signal source and content. (3) A CableCARD™ decoder is required for your TiVo Roamio Plus DVR to receive any cable programming. The TiVo Roamio Plus is designed for use only with digital cable systems, it does not receive analog programming. Additional fees may apply. (4) TiVo service is required and sold separately. No functionality is represented or should be expected without a paid subscription to the TiVo service. Features subject to change without notice. (5) Requires an Apple iPhone, iPad or iPod touch device running iOS 5.1 or higher. Out-of-home streaming only supports streaming to one of your mobile devices at a time. Due to the copy protection assigned by the content provider, not all content can be downloaded to your mobile device for offline viewing, and not all content can be streamed when you are away from your local network. Visit tivo.com for additional terms and restrictions that apply. (6) TiVo Mini functionality varies by the specific TiVo product configuration installed in your home. (7) Not available in all areas and subject to change. XFINITY On Demand requires subscription to XFINITY TV Service level with access to On Demand programming and is sold separately. Basic Service subscription required to receive other levels of XFINITY TV service.
