Safety Information

Here are some tips you may find helpful:

Watch your setup

Make sure your setup is in front of the TV and the TiVo Mini in a well-ventilated area, and not placed any way near the TV. This product is protected under the FCC rules. Unauthorized changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

Seating or posture

TiVo recommends that you sit in a comfortable seat. You can set the TiVo Mini on a tabletop, shelf or any flat surface above the floor. However, never place the TiVo Mini on a tabletop that is regularly occupied by children or pets.

General information

Your TiVo Mini does not contain any userserviceable parts. If you cannot access the TiVo Mini or troubleshoot your problem, contact TIvo customer support.

Important notice

Make sure to note the TiVo Mini connection requirements to your TiVo Mini setup:

Verify your system:

- You must have MoCA® enabled in your home to use this option.
- You must have the TiVo Mini connected to your home network using either a wired or wireless connection.
- You must have the TiVo Mini configured to use the TiVo service.
- You must have the TiVo Mini connected to your TiVo DVR using the TiVo Mini Setup Wizard.
