

WELCOME TO THE TIVO EDGE FAMILY.

Say hello to TV heaven. TiVo EDGE puts all the smile-making, heart-swelling, nail-biting entertainment out there in one perfect place. When you can't wait to watch your favorites, just speak into the remote and TiVo EDGE searches across live TV, your recordings and even your streaming apps like Netflix, Hulu and more. TiVo EDGE also lets you skip commercials, works with your HD antenna and comes with tons of DVR space for an entertainment experience like no other. All the best shows and a better way to watch them. TiVo EDGE.

PLEASE DO NOT RETURN YOUR DEVICE TO THE RETAILER.

Having challenges with your TiVo EDGE? Don't sweat it! Take advantage of our 30-day money-back guarantee, and contact our friendly customer service agents at (877) 367-8486 (available weekdays: 7 a.m. to 6 p.m. PT, weekends: 8 a.m. to 5 p.m. PT). We can work together to make sure your TiVo story has a happy ending.

ACTIVATE YOUR TIVO SERVICE

If you bought your TiVo EDGE for antenna at a retail location such as Best Buy or Amazon.com, activate your service by scanning the QR code on your TiVo EDGE box, visiting tivo.com/activate or by calling TiVo Customer Support at (877) 367-8486. You'll need your 15-digit TiVo Service Number (TSN) found on the bottom of your TiVo EDGE.

1 ANTENNA

Connect an HD antenna (sold separately).

CONNECT YOUR TIVO EDGE FOR ANTENNA

Note: If you use a third-party cable, always use one that is marked as

HDMI cable.

high-speed or 4K-ready.

Note: If using Ethernet, please make sure the cable is Cat5e or Cat6e. For more networking options and instructions, visit tivo.com/howto

home network via WiFi or Ethernet.

Plug in the power cord.

STEP

COMPLETE GUIDED SETUP

Turn on your TV. When you see the TiVo Welcome screen, you're ready to begin Guided Setup for your TiVo EDGE. Just follow the on-screen instructions.

If you don't see the TiVo Welcome screen, use the INPUT, SOURCE or TV/VIDEO button on your TV remote to select the correct video input for TiVo EDGE.

PROGRAM YOUR TIVO REMOTE

The TV POWER, VOLUME, MUTE and INPUT buttons on your TiVo remote can be programmed to control your TV and/or A/V receiver.

Press the **TIVO BUTTON** (a) to bring up the Home screen, select the menu icon (three horizontal bars) and select Settings. Locate Remote Control Settings and follow the on-screen remote control setup instructions to program your remote.

TIVO REMOTE BUTTONS

- 1 The **TIVO BUTTON** takes you to the Home screen, where you can find your shows or change your settings. 2 If programmed (see Step 4
- above), TV PWR turns your TV on or off. 3 If programmed (see Step 4
- above), use **INPUT** to select the input for your TV. **BACK** takes you back to the
- previous screen. Use the **ARROW** buttons to navigate the TiVo menus. In live
- TV, press **UP** for the mini guide, **DOWN** for SmartBar®, **LEFT** for your favorite channels, and **RIGHT** to see what's playing on other tuners.
- 6 Press and hold the \Psi button to issue voice commands, like "Show me movies with Tom
- Hanks." Press and release the button to see more examples.
- control the volume on your TV or A/V receiver. **8 REPLAY** repeats the last eight
- 7 If programmed (see Step 4
- above), **VOLUME** and **MUTE** seconds of the show. Press and

hold to jump to the beginning of

a show. When browsing, press to

jump to the first item in a strip.

- The **A**, **B**, **C** and **D** buttons control viewing options (look for on-screen tips) and turn accessibility features on or off. Press and hold A for the screen reader, **B** for closed captioning, **C** for video description or **D** to remove a show from Continue Watching without deleting it. When tuned to a standard definition (SD) program, the **D** button can also be used as a shortcut to jump to the HD version of the same channel. **CLEAR** dismisses items
- appearing over video (including the guide), and deletes titles from My Shows and the To Do List. LIVE TV takes you to live TV,
- and additional presses of Live TV let you cycle through the
- other tuners. 12 INFO shows the info card while watching a show. Press
- this button again to make it disappear.
- 13 Press **OK** to choose menu items. Use **EXIT** to close certain apps
- or to watch full-screen video on the Home screen.

on-screen program guide.

15 **GUIDE** takes you to the

Press **RECORD** to record the show you're watching or to set up a recording for a show selected in the guide.

While watching shows, use

- these buttons to control playback. Press **REWIND** and **FAST-FORWARD** up to three times for three speeds. In the TiVo menus, use **REWIND** and **FAST-FORWARD** to move quickly through strips. Press **PLAY** and then **OK** to start/stop QuickMode®.
- 18 This button allows you to play live or recorded TV in slow motion. Pressing this button while on the main menu turns
- the live video window on/off. 19 **ADVANCE** moves forward in 30-second increments; press
- and hold to jump to the end of
- the show. Or, press **ADVANCE** to jump to the next tick mark when fast-forwarding or rewinding. 20 Press **SKIP** to jump past commercial breaks when you
- see the on-screen tip or hear the SkipMode® chime. (Available for SkipMode-enabled shows.)

last channel viewed on a tuner.

21 Press the **NETFLIX** button to launch the Netflix app. 22 ENTER/LAST returns to the

The 4-tuner, 2TB TiVo EDGE comes with the TiVo LUX Remote™ with adaptive backlit buttons for ease of use, even in a dark room.

PRODUCT FEATURES

With all the amazing things your new TiVo EDGE can do, you can make the most of your TV time thanks to our fan-favorite features, including:

CONTROL

VOICE CONTROL

Press and hold the U button to issue voice commands.² Search for shows ("Show me what's on tonight" or "Find The Good Place"), launch apps ("Launch HBO GO") and go to TiVo screens ("Open the Guide" or "Take me Home"). For more commands and information, visit tivo.com/voicecontrol

SKIPMODE

TiVo EDGE allows you to skip entire commercial breaks at the press of a button on certain recorded shows.³ Just press the **SKIP** button to jump to the end of the commercial break and resume watching instantly. Or, skip commercials without lifting a finger by turning on Auto SkipMode in Settings > User Preferences.

SMART HOME

Unlock the hands-free potential of Alexa by connecting TiVo EDGE via WiFi to your Amazon Echo.

DISCOVER

ONESEARCH"

Simultaneously search live TV, your recorded shows and streaming apps to easily find and watch what you're looking for. Use a voice command to search (press and hold the 🕕 button) or choose Search from the Home screen.

ONEPASS™

OnePass gathers every available episode of a series, every available game or match from a specific team, or every available sporting event in a league (e.g., NHL, CFL, USL), and adds them right to your My Shows list to watch instantly. Just find what you want to watch by searching or browsing, then select Create a OnePass.

QUICKMODE

It's not fast-forward, it's QuickMode! QuickMode lets you watch a recorded show 30% faster, while also letting you clearly hear what everyone is saying. While watching a recorded show, or if you've rewound live TV, press **PLAY** to bring up the status bar, then press **OK** to start QuickMode. Press **OK** again to resume watching at normal speed.

Learn more at tivo.com/howto

AUTO PLAY NEXT EPISODE

When you reach the end of an episode, the next episode in a series will play automatically. A panel will be displayed at the bottom of the screen containing a countdown timer along with additional options. When the timer runs out, the next episode will begin. Press **OK** to start playing the next episode sooner, or press the **RIGHT** arrow to watch from a different video provider.

◁◌ଁ▶ QUICKVIEW®

Want to see what else is on without missing a moment of what you're watching? Simple. While watching live TV or a recorded show, press **UP** to see the mini guide, **DOWN** to view SmartBar, LEFT to see what's on your favorite channels, and RIGHT to see what's on other tuners.

MOBILE

TIVO APP FOR IOS AND ANDROID

TiVo app from the App Store or Google Play.

TiVo's mobile app for tablets and smartphones lets you search, schedule recordings, set up OnePass selections, and manage your TiVo EDGE from anywhere. And, the TiVo app even lets you take your shows wherever you go.4 We'll soon be making the TiVo app available for your streaming player, so no matter how you're watching, you'll be watching it better with TiVo. Download the

TIVO ONLINE™

TiVo Online delivers the convenience of TiVo to your computer's browser. Watch recorded shows. Enjoy live TV. Launch streaming apps at the push of a button. And when you're away, TiVo Online makes it easy to find your programs streaming online, create OnePass selections, manage your settings and just see what's on TV tonight. Visit TiVo Online at online.tivo.com to get started.

MULTI-ROOM SOLUTION

TIVO MINI™ AND TIVO MINI VOX™

Your new TiVo EDGE works with the TiVo Mini and TiVo Mini VOX to deliver Tru Multi Room™ control, giving you the same TiVo experience on additional TVs in your home.⁵ Access live TV, recorded shows, streaming content from Netflix, Prime Video and more. Plus, you get all your favorite TiVo features, like voice control, SkipMode, QuickMode, pause and rewind.

The TiVo app for iOS supports Apple AirPlay mirroring, so you can stream shows from the app to your Apple TV.

Safety Instructions

Before You Begin

equipment is turned off and the TiVo box is unplugged Your TIVe DIGE for antenna was not designed to support A/V components placed on top of it. Please do not place common A/V components such as VCRs, DVD players or A/V receivers on top of this product.

Also, avoid stacking your TiVo box on top of other elect as DVD players, A/V receivers—or the vents of your TV.

Safety Information uct was designed and manufactured to meet strict quality and safety

standards. There are, however, some installation and operational precautions of which you should be particularly aware. Please read these instructions before operating the equipment and save them for future reference. Read Instructions — All the safety and operating instructions should be re understood before the appliance is operated.

2. Retain Instructions - The safety and operating instructions should be retained for future reference.

4. Follow Instructions - All operating and use instructions should be followed. 5. Water and Moisture - The appliance should not be used near water - for example, near a bathtub, washbowl, kitchen sink, laundry tub, in a wet basement, near a swimming pool, etc.

6. An appliance and cart combination should be moved with care. Quick

does not interfere with its proper ventilation. For example, the appliance should not be situated on a bed, sofa, rug, or similar surface that may block the cabinet that may impede the flow of air through the ventilation openings. Do not block ventilation holes by placing items such as magazines, clothing, etc., on adiators, heat registers, stoves, or other appliances (including amplifiers) that

8. Ventilation - The appliance should be situated so that its location or position

10. Power Cord Protection — Power supply cords should be routed so that they

are not likely to be walked on or pinched by items placed upon or against them, paying particular attention to cords and plugs, convenience receptacles, and the point where they exit from the product. 11. Object and Liquid Entry — Never push objects of any kind into this product through cabinet slots, as the objects may touch dangerous voltage points or s product parts, resulting in the risk of fire or electric shock. Never spill liquid of any kind onto this product.

12. Damage Requiring Service - The appliance should be serviced by qualified A the nower supply cord or plug is damaged or fraved: B. liquid has spilled into the product;

D. the product does not operate normally when you follow the operating instructions (adjust only those controls that are discussed in this guide,

ensive work by a qualified technician to restore the product to norma E. the product has been dropped or the cabinet damaged; or, F. the product exhibits a distinct change in performance

13. Servicing — The user should not attempt to service the appliance beyond the steps described in the Troubleshooting section of the guide. All other servicing should be referred to qualified service personnel.

14. Cleaning — Unplug this product from the wall outlet before cleaning. Do not use liquid cleaners or aerosol cleaners: use a damp cloth for cleaning. It product comes in contact with any liquid, unplug the power cord and let the dry thoroughly before plugging it back in. 15. Power Source - This product should be operated only from the type of power

source indicated on the marking label or in this guide. If you are not sure of the type of power supply to your home, consult your dealer or local power company 16. Overloaded Power Outlets — do not overload wall outlets and extension cas this can increase the risk of fire or electric shock.

17. Coaxial Cable Grounding — For this product, the coaxial cable shield/screen shall be grounded as close as practical to the point of entry of the cable into the building. This recommendation is pursuant to Article 800-93 and Article 800-90 of the NEC, which provides guidelines for proper grounding of the coaxial cable

actric Shock — Io reduce the risk of electric shock, do not disassemble roduct. Take it to a qualified service person when service or repair work juired. Opening or removing the product's covers may expose you to erous voltage or other risks. Incorrect reassembly can cause electric shock when this product is subsequently used. 19. Moving - To avoid accumulative shock, avoid moving the unit while it is plugged

20. CAUTION — There is significant danger of explosion if the product's battery is replaced. Replace the battery only with the same or equivalent recommended by the manufacturer. Dispose of used batteries in strict as with the manufacturer's instructions. Limited Warranty
