

# TIVO MINI DISPLAY SETTINGS

On the TiVo Central screen, move to 'Settings & Messages' and then press SELECT - the round button at the center of the arrows circle on your remote. From the Settings & Messages menu, choose 'Settings,' and then choose 'Displays.' Display settings include:

- [Closed Captioning](#)
- [Lights on the Front of the DVR](#)
- 

## **CLOSED CAPTIONING**

Change the way the TiVo box displays closed captioning text.

To turn closed captioning on or off while watching a show, press and hold the B button - the second from the left in the line of buttons between the PAUSE circle and the number pad on your remote. Or, press INFO - the second button down on the right of the TiVo button - to bring up the info banner, then select the closed captioning icon.

## **LIGHTS ON THE FRONT OF THE DVR**

You can change the display of the lights on the TiVo box's front panel (the lights indicate when the TiVo box is receiving power, recording, receiving a transferred show, or downloading shows over the network connection). You can choose to turn the lights on or off.
